HUNTERDON MEDICAL CENTER PHLEBOTOMY AT HOME SERVICE

The demands of caring for an ill loved one or managing your own chronic health condition can be emotionally, physically and logistically challenging. The Hunterdon Medical Center Laboratory can help eliminate some of those stresses with our Phlebotomy at Home Service. You or your loved one can stay in the comfort of their home and our highly qualified phlebotomy staff members will come to you. The Hunterdon Medical Center Laboratory's Phlebotomy at Home Service is available to all ages, newborn to geriatrics. **Please note: Medicare patients must meet Home Bound requirements.**

You will find our knowledgeable phlebotomy staff members to be professional and provide a level of friendly service, making your experience a pleasant one, every time. Our **Phlebotomy at Home Service** will allow you to receive the same level of excellent care from our phlebotomy staff, in your home.
